About Fitkids:

Fitkids is India's largest and fastest growing K-12 educational services company with a footprint of over 200,000 students, 200 schools across 46 cities. As an organization our endeavor is to sustainably facilitate holistic development of children through solutions in sports education, creative movement, science and assessments. The programs are holistic and age appropriate for school students of various age groups designed to condition a healthy mind and to keep them active, fit and creative. From making physical activity fun to developing their creative quotient, providing them with experiential learning opportunities and guiding them in making the smartest career choices, FitKids prepares students for excellence in academics as well as facing life challenges in the 21st century.

Fitkids staffs ~500 employees and is a young company with an average age of 28 years. Every individual at Fitkids is here because they want to be part of the change and solution. Each a social change agent in their own right.

GAIT (Grooming Artistic Innovation and Talent) is a pioneer in the field of creative movement in education, in India. GAIT assists in the overall development of a child with a focus on creative, physical, cognitive, emotional and social aspects. It uses the language of movement to communicate an idea, an image or a feeling through innovation rather than imitation. Currently taught to over 30,000 children, GAIT is India's only and largest structured creative movement in education program.

India's Pioneer Creative Movement in Education program, **GAIT (Grooming Artistic Innovation and Talent)** is recruiting candidates for the post of **CMS (Creative Movement Specialist)** who are trained in dance, love working with children, open to learning and who want to be associated with creative work.
